Welcome to the second edition of our newsletter! Over the past months, the ENVISIO project has moved forward with great momentum. From in-depth needs assessments to a virtual training activity, our team is committed to creating impactful, inclusive learning experiences.

INITIAL IMPACT «««

ENVISIO remains committed to inclusive outreach by:

- Continuing online awareness campaigns via social media and project partners' networks.
- Engaging deaf associations, schools, and training centers for feedback and collaboration.
- Highlighting inspiring stories and real-world applications of green entrepreneurship.

CONTINUED COMMUNITY OUTREACH AND ENGAGEMENT

FIRST LEARNING, TEACHING AND TRAINING ACTIVITY (LTTA)

➤➤➤ **DATE: 29 NOVEMBER 2024**
➤➤➤ **FORMAT: ONLINE, LIVE
SESSION**

The ENVISIO Erasmus+ Project proudly launched its first Learning, Teaching, and Training Activity (LTTA) on Friday, 29 November 2024, in a dynamic live online session. This milestone event brought together learners and project partners across Europe to build multimedia skills.

This training programme was carefully designed to equip participants with the tools and techniques necessary to express their ideas and values through visual storytelling, video editing, and AI-driven voiceovers.

The learning objectives included:

- Navigating the Canva App interface and using its features for visual design.
- Creating slides, videos, and multimedia content with professional quality.
- Using Eleven Labs for realistic AI voiceovers.
- Integrating graphics, animations, and voice into impactful presentations.
- Exporting final projects suitable for digital and social media platforms.
- Enhancing communication with high aesthetic and emotional appeal.

COMING UP NEXT

UPCOMING TRANSNATIONAL PROJECT MEETING IN CYPRUS

The next Transnational Partner Meeting (TPM) will take place in Cyprus, hosted by project partner CKT Business Consulting Ltd in Nicosia.

This meeting will be a key opportunity for all project partners to:

- Review progress on the ENVISIO Digital Hub
- Discuss the structure and expected outcomes of project events
- Ensure alignment of dissemination, sustainability, and quality assurance actions

Stay tuned for photos, key takeaways, and partner reflections in our next newsletter!

EMPOWERING DEAF YOUTH THROUGH ACCESSIBLE TOOLS AND STRATEGIC ACTION

SECOND LTTA: IN-PERSON PARTNER TRAINING ON AR CASE STUDIES

The second Learning, Teaching and Training Activity (LTTA) will bring all project partners together for an in-person training session dedicated to the creation of Augmented Reality (AR) case studies. During this session:

- Partners will receive guidance on developing interactive and accessible AR learning content.
- Collaborative brainstorming and content prototyping will take place.

FULL DEVELOPMENT OF ENVISIO DIGITAL HUB

The ENVISIO Digital Hub will serve as a comprehensive set of resources designed to support deaf youth in developing green entrepreneurial skills. It will include:

- Five training programmes covering topics like sustainable business models, eco-branding, financing, and supply chain management
- Augmented Reality (AR) case studies to enhance immersive learning
- PowerPoint presentations for blended learning sessions
- A Learning Framework Guide to support trainers and facilitators

All materials will be translated into the sign language of the participating countries Italy, Latvia, and Turkey, ensuring accessibility and inclusion. The content will also be available in English and Greek language without sign-language interpretation.
